## CHURCH DEFENDS HIS TENNIS TITLE

[Republican A. P. Leased Wire] LAKE FOREST, Ill., August 15.—George M. Church of Tenafly, N. J., successfully defended his holding of the western lawn tennis challenge bout here today by smothering a straight set victory over Heath Byford, of Chicago, the challenger, 6-4, 6-9, 6-1.  
Pairings in the semi-final round of national doubles here tomorrow will bring together the south (Nat Emerson and Lew Hardy of Memphis) and Pacific Coast (Maurice McLaughlin and Ward Dawson, Los Angeles) in one frame and in the other the west (Church and Willis Davis, San Francisco) and the east (Walter Hayes and Ralph Burdick, Chicago) will play.  
The southern pair won to a thrilling five set match in the opening of the national series today, 4-6, 4-6, 6-1, 6-4, 6-4. It was a case of too many errors on the part of Trafford Jayne, paired with Seldorle Stellwagen, Minneapolis, as holders of the northwest title. Nat Emerson's playing won many points for the southerners.  
McLaughlin and Dawson had everything their way in beating Jack Cannon of Kansas City and A. J. Lindauer, of Chicago, the Missouri valley holders. The score was 6-2, 6-5, 6-1.  
The eastern team won a default

## YOUTHFUL TENNIS STAR, SENSATION

[Republican A. P. Leased Wire] NEWPORT, August 15.—A youthful star flashed through first and second round matches in the annual invitation lawn tennis tournament on the Casino courts today. Harold A. Throckmorton, a school boy from Elizabeth, N. J., forcing both the veterans, Richard Stevens, of Hoboken, N. J., and W. J. Clotier, Philadelphia, several times national champion, out of the play. Throckmorton retired Stevens in four sets, but required only three to suppress the former title holder in the second round. He virtually played Clotier off his feet.  
Another new competitor for high grade competition, F. E. Hunter, of New York, dimmed the lustre of J. J. Armstrong, of Philadelphia, the latter giving out in four sets before the former Cornell captain, 6-4, 6-2, 3-6, 6-2.  
These, and the defeats of Irving C. Wright, of Boston, by the new western star, Rowland Roberts, were the only upsets developed in the matches of the day.

from the Middle Atlantic champions, George Brock and Conrad B. Doyle, of Washington.  
Hayes and Burdick kept Chicago in the series by beating Bradley Hogue and George Wright, Dallas, Texas, 6-2, 6-2, 6-2.

## FAIR SWIMMERS TO COMPETE AGAINST AMERICAN CHAMPS

[Republican A. P. Leased Wire] SAN FRANCISCO, August 15.—If plans now in the making are carried out, the two fastest women swimmers in the world will make a tour of the United States and compete in various open events.  
These women are Miss Fanny Durack and Miss Mina Wylie. Both hail from Australia and between them hold every world's women's swimming record. Miss Durack holds the world's record for the 100-yard event at one minute and six seconds. The best time that American girl swimmers have been able to achieve in this distance is about two seconds slower. The Australian champion is particularly noted for her wonderful consistency. She always approximates her own record. She has never yet been beaten.  
Miss Wylie specializes in the breast stroke and has a world's record of 1:20 for 100 yards. The only woman who has ever defeated her is Miss Durack. Both were entered in the swimming events at the last Olympic held at Stockholm, Sweden, in 1912 and won every event in which they competed against the fastest swimmers of the world.  
Mrs. Hugh McIntosh, wife of the Australian boxing promoter, who is president of the Australian Ladies Amateur Swimming association, is among the movers in the plan. She not only will chaperone the young women but also will contribute toward defraying expenses. William Unmack, of San Francisco, who has been asked to arrange the details in this country, has written Secretary Ruben of the Amateur Athletic Union in New York, as to the best time for the proposed invasion. These two Australian aquatic mar-tyers never have been seen by the American public. Followers of swimming are enthusiastic over the plan and predict it will act as a wonderful stimulus to swimming in this country and, incidentally, force American girls to greater efforts which should result in lowering American records.

## Easy to Fake Wrestling

Professional wrestling has received, in the past, more unenviable notoriety than any other sport due to the unethical methods of both promoters and performers and the fact that wrestling lends itself easily to faking.  
With the passing of the law in California forbidding the holding of championship boxing matches such as were previously allowed, the public of San Francisco turned to wrestling as a substitute in the hope it would take the place of boxing. That it has failed in this is apparent and the indications are that another black eye has been registered.  
Recent boxing matches in which locally prominent wrestlers have taken part are criticized by local sport writers. At the last event the men wrestled for nearly three hours without a fall. For the first half hour the men were accorded the respectful attention of the spectators. Then the gallery announced its sentiments respecting that particular bout. At the end of an hour the spectators occupying ringside seats had joined in the chorus. After two hours all began leaving the building.  
Not a newspaper in the city had a good word to say for the match and the suggestion was made to one of the principals that he seek his future matches at other places.
